MEMORANDUM FOR: Chief, Administrative Staff, DPD-DD/P

ATTENTION : DPD/Registry

SUBJECT : ELINT Equipment Performance on IDEALIST Missions

1. Technical evaluation of ELINT equipment performance on IDEALIST missions has been assisted considerably by the ELINT Processing Center of the Office of Scientific Intelligence. Communications between the E.P.C. and the DPD/Communications Staffs have consistently uncovered and isolated problems of interference, low sensitivity, and generally inadequate systems performance which would otherwise have been extremely difficult to analyze.

2. It is requested, therefore, that an information copy of all incoming and outgoing [redacted] cable traffic be forwarded to the E.P.C. These copies should be directed to OSI/HEPC/ESP, Room 5-F-38, Langley, Attention: [redacted]
